

Accommodations near the East Broad Top Railroad

This list of accommodations is published as a service to members of the Friends of the East Broad Top. New and revised listings are indicated by asterisks (*). Accommodations marked ++ offer cottages, lodges or vacation homes as well. Note that some campgrounds, cottages, and bed-and-breakfasts may not be open throughout the entire year. Because of heavy demand, accommodations near the EBT may be difficult to find during some holiday weekends and Penn State home football games; advance reservations are strongly advised. **Please send corrections and additions to John Morgan, 114 McDonald Ave, Cambridge ON N1R 4J2, Canada or email morcomp@magma.ca.** The FEBT cannot accept any responsibility for the quality, availability, and price of accommodations listed here.
